1		If you don't think you'de win, consider playing another sport														
2		Hey, you found a buddy, go play a friendly round of golf														
3		Threesome's can be fun														
4		Just the right number of people to take a tee														
5		Maybe you all should consider a game of wolf														
6		Play a game of singles, it should pay nicely														
7		Doubles with an odd man/women, hopefully you'll be that odd person														
8		A game of doubles is perfect and payout is decent
